Mailing guidelines for advertising inserts

The Society publishes a Magazine twice a year, normally in June and December (these dates are approximate). Promotional inserts can be accepted, provided these are relevant to architectural history, and they are charged at £150 for an A5, A4 or A3 folded leaflet. The Society reserves the right to re-quote should our mailing house raise any concerns about the size or weight of the material.

This price applies to a mailing to all UK addresses (there are approximately 700 of these, comprising individuals as well as academic and other institutions). Should the advertiser wish to include a mailing to our overseas members (there are approximately 50 of these), this will be charged at an additional £50, subject to weight and dimensions.

The order should be placed with David Lermon (Hon Treasurer), stating whether only UK or total circulation including overseas is required (all contact details are provided above), and where an order number is required by the advertiser, this should also be provided.

We will do our best to mail inserts in your preferred time-slot, but where the mailing is time sensitive please make the Society aware of this in writing or by email.
